

## MANAGED BY BEYOND EDUCATION A SUBSIDY OF KHALIFA UNIVERSITY

### ENTERPRISES COMPANY (KUEC)

1-day cadaver based surgical skills course (8hrs AMA CME) with case-based progression through 24 life/limb saving procedures. Participants will demonstrate key anatomical exposures for the care of injured and acutely ill surgical patients and show the technical ability to expose and control important structures that may require acute surgical intervention to save life or limb. High performing participants will be invited to participate in future courses as Instructor Candidates.

### PROCEDURAL SKILLS (24)
