About the Event

The 46th ICMM World Congress of Military Medicine Abu Dhabi 2026 is the largest and most influential gathering of its kind in the Middle East and the wider region. Held every two years, it unites senior military and civilian medical leaders, healthcare professionals, researchers, academics, and industry partners from across the globe. The Congress serves as a platform for sharing knowledge, exploring the latest military and civilian operational medicine, field surgery, disaster response, humanitarian health, and emerging medical technologies.

Benefits of Attending

Access Cutting-Edge Research

Explore the latest advances in military medicine, operational healthcare, trauma care, medical readiness, humanitarian response, and emerging medical technologies.

Learn from International Experts

Gain insights from renowned military medical leaders, clinicians, researchers, and policymakers through keynote presentations, scientific sessions, and panel discussions.

Advance Scientific Collaboration

Exchange knowledge and foster multidisciplinary collaboration with professionals from military and civilian healthcare sectors across more than 120 member countries.

Strengthen Clinical & Operational Practice

Discover evidence-based approaches, best practices, and innovative solutions that enhance healthcare delivery in operational, humanitarian, and disaster response environments.

Contribute to Global Healthcare Innovation

Participate in discussions that shape the future of military medicine, medical research, education, and international health cooperation.

Expand Your Professional Network

Connect with healthcare leaders, researchers, defence organisations, academic institutions, and industry partners to establish meaningful collaborations.

Explore Emerging Technologies

Experience the latest medical innovations, digital health solutions, medical devices, and research developments showcased throughout the Congress and exhibition.

Earn Professional Recognition

Present your research, engage with peers, and contribute to an internationally recognised scientific programme that advances military and civilian medicine.

Exhibitors' Opportunities

Exhibitors

Showcase & connect

- High-traffic networking zones
- Custom large / medium / standard booth options
- Floor plan logo placement & app listing
- Brand visibility across all 5congress days

Scientific Contributors

Share research & drive the agenda

- Oral, poster, workshop & focus group formats
- 5 tracks across military & civilian medicine
- Skill Transfer Sessions — hands-on training
- Publication & peer recognition globally
- Programme published 1 August

Delegates

Connect, learn & lead

- Access to 5 days of world-class scientific programme
- Workshops, courses & hands-on demonstrations
- Network with peers from 100+ nations
- Social & cultural programme in Abu Dhabi
- CME / CPD opportunities across all sessions

60+	1,500+	5	3 Aug	100+	5
